PROJECTS

richen.dev - My personal portfolio served with NextJS — Github Live

- NodeJS
- NextJS
- Typescript
- ReduxJS
- ExpressJS
- Framer
- Enums, Interfaces, Types
- Styled-Components
- Form Validation
- Sanitization
- State Management

Library - A CRUD library application with Apollo GraphQL — Github Live

- NodeJS
- ReactJS
- MongoDB
- GraphQL
- ExpressJS
- ESLint
- User Authentication
- Mutations
- Subscriptions
- Apollo GraphQL Queries
- Fragments
- State Management

RateRepo - A cross-platform mobile repository rating app — Github

- NodeJS
- React Native
- GraphQL
- Expo
- Apollo Client
- Formik / Yup
- User Authentication
- Routing
- Unit Testing
- End to End Testing
- State Management
- Form Validation

Bloglist - A blog listing app with user authentication — Github Live

- NodeJS
- ReactJS
- MongoDB
- ReduxJS
- ExpressJS
- Cypress
- End to End Testing
- State Management
- CI/CD
- User Authentication
- Routing
- Unit Testing

EXPERIENCE

Inside Sales / Parts
Pacific Coast Fire Equipment | 2020 - Present

- Developed a system for organizing orders, decreasing lead time of projects by an average of 1 week
- Sourced, ordered, and gathered items for jobs based on quotes, estimates, and customer requests.
- Managed shipping and receiving of orders from vendors and orders to customers

Independent Tile Contractor
Self Employed | 2013 - 2020

- Was leading installer in terms of sales for my team across projects such as the Marriott and Sheraton hotels
- Installation of concrete subflooring, membranes, waterproofing, terrazzo, ceramic, slate, marble, grout, and epoxy at multiple locations in Canada

SKILLS

Frontend

JavaScript	React
HTML	TypeScript
CSS	Gatsby
Apollo	React Native
ReduxJS	NextJS

Backend

NodeJS	TypeScript
ExpressJS	MongoDB
GraphQL	Sequelize
NextJS	

Testing & CI / CD

Jest	Github Actions
Cypress	

Cloud

Heroku	Digital Ocean

EDUCATION

Georgia Tech / EDX
2020 - 200 hours

Introduction to Python Programming

University of Helsinki
2020 / 2021 - 220 hours

Full Stack Open 2020

Certificates
